

### **Oxford Discover Level 1, Unit 6, Read**

Tenuk lives in Malaysia. One day, Tenuk walks in the rainforest. He finds a small chick. It is white and scared.

Tenuk takes the chick home. He takes care of it. He gives it food and puts it in his bedroom.

“What's this?” asks Tenuk's mum. She takes the chick to a reserve. Tenuk is sad and misses the chick.

Later, Tenuk goes to the rainforest. He puts out food and waits. The chick is a big, brown eagle now! Tenuk is happy.
